

Straffan Camogie Club

Dealing with Lost/Found Children Policy

If a child becomes lost or separated from their responsible adult, a vetted and safeguarding trained coach/mentor/supervisor should be contacted where possible. If this is not possible, the Club DLP and/or Children's Officer should be contacted. They will then seek to contact the child's parent or guardian.

If you discover that a child has gone missing from the Club grounds, contact the Gardaí immediately. You must also contact the Club Children's Officer and/or DLP, but only after contacting the authorities.

Straffan Camogie Club adheres to all guidelines set out in the Camogie Association [Code of Behaviour](#)
