

Straffan GYM Smartphone Access control registration(Cheat sheet)

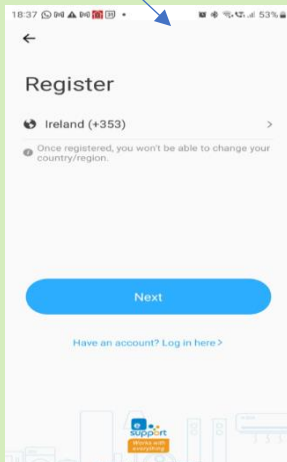

1) Go to PlayStore or I-phone AppStore and download the 'ewelink' App

2) At the 'Log In' page select 'Create new account'

3) Input details as requested, use your **email address** to register rather than a telephone number.

4) After successful registration of the App, please send email to 'StraffanGFCGym@gmail.com' requesting access to the Gym. You will need to provide:

1) The completed 'Straffan GAA Gym Screening Form' and signed the 'Straffan GAA GYM EQUIPMENT Policy'

2) The Email address that you used to register on **this ewelink app**.

NOTE: When the details have been sent to the above email, your application will be assessed/registered, and you will be given access to the Gym using the eWeLink app switch to open the door.

(App may also be set to tap phone at the door pad) <https://forum.ewelink.cc/t/a-tutorial-to-activate-ewelink-scenes-with-nfc/15899>

5) When the administrator adds you to the App database you will receive a message confirming access via the App. Open the ewelink App and you will see an invite requesting you to accept the access as shown here. **Remember** access is given for your personal use and each time you use this App it is logged that you have accessed the Gym. In the interest of safety and security, please do not allow your App pass to be used for others to gain entry. Like most professional Gyms, there are **CCTV** cameras in operation to safeguard for equipment / users.
